

## Stunning Grulla Walkaloosa Filly!!

\$ 8,000

### Description

Wren is a gorgeous grulla Walkaloosa filly! Her color is pretty rare! She was born 6/26/23 and is incredibly brave and personable. Wren loves checking everything out and is very independent, not needing her dam to give her confidence. She will likely be around 14.3hh. She has a copy of Lp, so she will get some appy color as she gets older. Full color and disease testing available. 5 panel clear. She has one copy of DMRT3, and her appaloosa side is known for throwing gait. She prefers a trot right now as she grows, but I expect that when she is started under saddle a gait will come out. Wren would excel in any direction you would wish to take her, but I breed with trail, endurance, and western dressage in mind. Pics of her Appaloosa Dam and Grulla Rocky stallion!!
