

Gorgeous Red Head Yearling Filly!

\$ 4,800

Description

Check out this beauty! Daisy is as sweet as she is gorgeous and talk about well bred, this filly has it all! Daisy's owners/breeders have been very hands on with her and their other two yearlings since they were born so they are all very obedient and respectful! Daisy has been color tested and carry's one copy of the Agouti gene, a silver and homozygous for red so she would be perfect to breed with a dark Grulla or a Buckskin!! This would give a very good chance of getting a foal with some nice striping!! Her Sire is very well known within the Rocky community! GHS How Bizarre a stunning well made Bay stallion!! Daisy's pedigree has some of the best well known Rockies in it! Daisy stands great to have her feet trimmed like an older horse, stands tied and leads great! She's up to date on worming, vaccines, feet trimmed and coggins and health cert! Watch Daisy's video to see how obedient she is! Located in Cleveland, TN.
