Description

RBSF Dynamite's Break Dancer (Nitro) is a beautiful dark Classic Champagne colt born on April 18. We will be weaning him in October. He is a big thick boy and he comes from a great pedigree on both sides. MCF's Dynamite (15 Hands) has Sam Clemon's Tim, Kilburns Chocolate Sundown, Tobe, Johnson's Toby. Dam is MCF's Winddancer (14.1.5 Hands) and has great conformation and head which she has passed on to her colt. Both parents have a 4-beat natural gait and fantastic easy going temperament. Loves to please. We are in the process of registering Nitro with the Rocky Mountain Horse Association. He has no silver and is Champagne colored with a dark mane and tail. Will make an excellent addition to your breeding program, trail riding and show ring. He loves people and follows you around as he loves the attention. He has been handled since birth and we will continue to work on leading, tying, farrier, desensitization and trailer loading until he leaves our farm. All vaccinations and worming will be done throughout. We will accept a deposit to hold him until he is weaned and ready for his new home in October! Nitro is located in Greenwood, NE.
