

Sweet Driving Mare In Foal

\$ 6,500

Description

Susie is a beautiful loving mare that's 4 years old and 14.2 hands. She's full Standardbred just smaller than normal. She's great at pulling a cart and as you can see gentle enough for her owner to jump on her back even though she's had no formal riding training! She's in foal to a registered black Rocky Mountain stallion that's 15.1 hands. Pictures of him below. The combination should make for an excellent gaited baby! The Rocky should square up the Standardbred trot nicely!! Susie is very smooth gaited and if you want once she has her baby she could go into saddle training and make a nice trail horse! She's fearless on the road, passes cars and trucks with ease and she is very obedient on the ground and stands still for putting in the harness so easy to hook up! Her foal can be registered KY Mountain since she's bred to a Rocky! Vet thinks the foal is due sometime in August so now is the perfect time to get Susie settled in at her new home!! Watch her video to see how awesome Susie really is!
