

Sweet Yearling Black Filly

\$ 2,800

Description

Miya is a beautiful filly that was born 5/15/21. She stands 14 hands and should mature to 14.2-14.3. She's out of a registered chocolate stallion that's 15.1 hands and a beautiful dark chocolate mare that's full Rocky but has not been registered so Miya will need to be registered Kentucky Mountain Saddle horse. She is very sweet, owners have had her since a Weanling and done an amazing job desensitizing her! Miya stands great to have her feet trimmed, leads, ties and bathes. She's up to date on worming and in the process of getting a coggins and health certificate so she'll be ready to travel!
