Description

Coco is a gorgeous dark chocolate gelding that stands 15.1 hands and 6 years old. He a nice calm of trail horse, will walk on a lose rein and if you like a little faster gait then he'll do that also!! He's bomb proof on the trails, you point he goes, doesn't care if other horses are way out front either. He's use to riding in groups or out alone, will lead, go in the middle or follow in the back and has perfect ground and saddle manners! He's use to wildlife and about anything you run into on the trails and not afraid of tractors, side by sides or the occasional dirt bike in the trail! He's suitable for an intermediate bigger rider that's familiar with a faster gait but very controlled. He stands great for the Farrier, bathing, cross ties, mount, dismount, leads, loads and gets along with other horses in the pasture. Coco is up to date on his worming, shoes, coggins and health certificate. Watch Coco's video to see how wonderful he is!
