

Smooth Easy To Ride Buckskin Trail Horse

\$ 8,500

Description

Gwen is a gorgeous sweet Buckskin mare with tons of trail miles! She stands 15.1 hands and solid muscle with one of the smoothest gaits you'll ever ride!! She's a Racking horse so even though she's sweet and smooth she does like to move out so if you're an avid trail rider that likes to gait and cover some ground this is your type of horse! Gwen can gait around 15-18 mpg when asked but happy to walk on a loose rein some also. She's rides great in a group and out alone also. She's use to wildlife, does not over react to new things and just a pleasure to ride! Her owner has too many horses and doesn't want Gwen being wasted in the field. She's use to steep terrain, mud, creeks and over logs. She stands great for mounting and will walk off on a loose rein. She stands for the Farrier, bathing, cross ties, leads and loads. She's up to date on her vaccines, teeth floated, worming, feet, coggins and health certificate. Once you watch Gwen's video you'll see what a true Racking horse gait really is!!
