Description

Ruby is a gorgeous sweet 3 year old filly that is exceptionally easy to ride. She's 14.3 and has the perfect 4 beat gait and wonderful disposition like a Holy Smoke offspring should have! She's had hands on training since birth and until recently was ridden by a 70 year old trail rider. She's only being sold because her owner has one too many horses and feels she can't give Ruby the attention she needs to keep her going and she's too good to sit in the field and not be ridden. She has sent Ruby to KY to Deuces Wild stables to be sold and trail ridden until she's sold. Ruby is easy to ride, acts more like an older horse already. She's suitable for an intermediate beginner rider that knows the basics! You'll not see a sweeter girl than Ruby! She loves to be with you like a dog! She's great out on the trails, she'll go threw creeks, mud, over logs and various terrains. Ruby stands great for mounting, dismount, Farrier, bathing, cross ties, leads and loads great. She will lead the group or follow behind and rides out alone great! She's is up to date on vaccines, teeth, shoes, coggins and health certificate. Ruby is very sweet, has great feet and conformation with awesome bloodlines and will make some lucky person their forever horse! Watch Ruby's video and you'll see what a nice gaited filly she is! Ruby is located in Oxford, PA until Nov 5th then she'll be residing in FL for the winter. Also Pictured below is her stunning Sire Holy Smoke
