Description

M & M is a stunning well bred 3 year old that stands 14.3 hands. He's chocolate with flaxen mane & tail that will make you the envy of everyone on the trails!! His Sire is the very famous black stallion CD's Elixir that's a two time World Grand Champion Show Pleasure stallion!! We have 3 geldings out of Elixir and they are all sweet and very well gaited!! M & M would make a nice Trail Pleasure Show horse also but for now he's already great on the trails!! His owner has done all his training and has been riding him since Jan. He's not pushed him at all just took his time and has done an excellent job desensitizing him!! He has an obstacle course also so M & M is not afraid of most things a young horse is. He's very sweet and loves attention and has a natural smooth 4 beat gait!! He stands great for the Farrier stands still for mount, dismount, bathing, cross ties, leads and loads. He's already a great trail horse and will only get better with each ride! He's suitable for an Intermediate rider that can keep him trail riding since he's young. This one won't last long! Just watch his video to see how amazing he is!!
