Description

Titan is a gorgeous 1/2 Friesian 1/2 Standardbred gelding that is almost 15.2 hands and coming 3 in the spring! His Sire is 15.3 and Dam is 16.3 so he's going to be a big boy! He's had tons of professional training with a Friesian trainer who says he would excel in Dressage or as a Sport Horse!! Titan has a big floating Trot and moves with such style and elegance!! Titan is very Desensitized and easy to handle, He's had all the training a young horse can have without a saddle. Titan runs to you in the field and loves attention, very smart and easily trained!! Owner hates to sell him, he's her dream horse but the timing is not right for her to keep him right now. Owner has him gelded and wolf teeth done that June. He stands great feet for trimming, bathing, cross ties, leads and loads. You won't find a better trained horse than Titan, he's priced way below his value so won't last long! Watch Titan's video to see for yourself just how wonderful he really is!! He is registered with the Heritage Association! His Sire is also pictured below! Titan is located in New Madison, OH
