Her pedigree is just full of foundation bloodlines so she'd be perfect to breed with in the future!!! Rose stands 14.3 already and her owners have been hands on with her since birth! She's so sweet the owners Niece who's 17 has been riding her since early spring!! Owner feels that Rose is safe enough for anyone to ride that is a confident rider. She's just young so needs someone to continue her riding and she'll make a wonderful seasoned trail horse!! Rose is very calm, doesn't get excited easy and since she's already lightly under saddle you can see her natural smooth 4 beat gait!! Rose will ride with other horses or alone, she'll go through deep water, over logs, and traffic safe. She stands

great for the Farrier, bathing, stands for mounting, dismount, cross ties and leads. This filly is set up to be one nice well broke trail horse!!
