## Description

Sister is a stunning chocolate mare with thick flaxen mane & tail and has the look and personality everyone wants in a Rocky Mountain!! She loves people and wants to be right with you! She's the perfect height and age at 14.3 hands and 6 years old. She has fantastic pedigree, old lines such as Choco Dock & Tom's Pride!! She belongs to a family that will be moving to another state for work this fall and will not be able to take her with them. They are heartbroken so want to find her the perfect home. Sis has been on plenty of trail rides and gets along with other horses great. She loves to be the center of attention and will let you do about anything you want just so she can be with you!! She loves being groomed, loves getting a bath, stands for you to get on and off, perfect ground and saddle manners also! She has great feet, stands for the Farrier, cross ties, leads and loads in the trailer. She's use to riding in an arena also!! Owners feel she would be best suited for someone that's a confident rider since she's not had a ton of consistent riding and not been asked to gait a lot. She's perfect for an Rider that is use riding gaited horses just so they can collect her and ask her to gait consistently which she needs. Owner lets people at the barn ride her but none are use to gaited horses so they mainly just walk her. They have had beginners on her and she takes great care of them so if you're a Novice rider with a trainer or someone that can help you if needed you'd be fine. This mare doesn't have a mean bone in her!! They ride her with only a Snaffle

bit. Sister is up to date on all her vaccines, worming, feet, coggins and health certificate. Once you see this beautiful Girls video you'll fall in love with Sister Sadie! She's located in College Station, Texas
