Description

This handsome feller's name is Hobo. He's 15 hands and 9 years old and has been all over the mountains in West Virginia trail riding with his owner and her friends!! Hobo is friendly, smooth gaited and tons of fun to ride! He's happy to go slow or fast and rides great in a group or out alone! His owner has too many horses and works as a nurse so limited on her riding time. He goes anywhere you point him and is very obedient! Hobo stands great for the Farrier, cross ties. Stands for mount/dismount, bathing, leads and loads. He's just an all around smooth gaited trail horse with tons of experience!! Some of his video has a 13 year old riding him so you can see just how nice and easy this boy is to ride!!
