Description

This beautiful dappled up boy is the whole package! Pendragon is 8 years old and 15.2 hands tall. He's got one of the best 4 beat gait, super smooth and one heck of a trail horse! He's happy to walk on a loose rein or if you want can move on down the road and you won't feel a bump!! Pendragon has been on some overnight camping trips, rides great in groups or out alone. He'll go through deep water, mud, over logs and with his long legs ease right over logs and steep terrain! This boy has some beautiful white mane & tail, has nice breeding and would be suitable to go right in the show ring! If you're an avid trail rider and want a nice beautiful trail horse look no

farther! Once you watch his video you'll see just how smooth gaited this boy is!!
