\$ 11,500

Description

Buddy is a beautiful chocolate gelding with light flaxen mane & tail. He's 14.2 hands and one of the smoothest gaited horses you'll ever ride!! His Sire is the very famous chocolate stallion "The Right Stuff" that throws some of the best gaited offsprings within the Rocky Mountain breed!! His Dam is a beautiful black RM mare! Buddy has had professional training and now his owners are riding him including a young 10 year old boy! He's got plenty of trail riding and doing phenomenally well especially for his age!! He's not spooky, very obedient and a gem on the trails! Buddy stands great for the Farrier, stands for mounting, dismount, stands great in cross ties, leads and loads in the trailer. This boy may be young but acts like a much older trail horse!! Owners say he's ready for his new owner to take over now and hit the trails with Buddy! If you're a confident rider and can continue riding Buddy he will just flourish with the right person!! Watch his video to see what a wonderful gait Buddy has!! Located in Beattyville, KY.
