Description

Lola is a stunning black filly that's 3 1/2 years old and 14.3 hands. Her owner/breeder raises all their foals their on the farm and imprints each one plus uses all Natural Horsemanship techniques so the horses are not rushed in her training. She's been under saddle for 6 months and is already an amazing trail horse!! Lola's owner showed her in conformation at the KY Mountain International last year when she was 2 years old and she Won her Futurity class! This Filly has a very smooth 4 beat gait, great conformation and a pretty little head!! She rides great with other horses, leads or follows, goes through water, mud and steep terrain! Lola's owner says she's very easy to ride already and safe enough for an Intermediate Beginner rider! Lola stands great for mounting, Farrier, loves a bath, stands in cross ties and loads great in the trailer. Lola is just a very sweet Filly that loves to be with you and a joy to ride! Watch her video to see how smooth this Filly is!
