
Sweet Desensitized Gaited Mule Weanling Filly

\$ 3,000

Description

This adorable mule filly was born 5/12 and is out of a really nice buckskin registered Tennessee mare that we have listed as well!!! Moonshine has been worked with since day one and already leads and loads in the trailer!! This sweet girl should mature to about 15.2 or 15.3 hands and is showing signs of gaiting so she's going to make a really nice and sturdy trail partner for someone!! Moonshine is super smart and wants to please you so you could make her whatever you want!!! Just take a sweet Moonshines video and see just how nice this cute girl is!!! Her beautiful Buckskin Dam is also available! Moonshine is located in Hamilton, Ohio
