She's very obedient and in her video you can see young beginner riders riding her in an indoor arena which she's not use to and she's very patient with them. Tequila's owners live in the middle of some of the best trails around so she has plenty of experience! She's brave & confident and one you can count on to get you home safely! She's out of shape and in her video you'll see her being ridden for the first time in a year with beginner riders and she was very patient with them!
