He will sit up in the bridle and keep those pretty little ears forward and will show off what he has!!! He has a beautiful flashy gait and is smooth as silk no matter how fast or slow you go!! Pretty Boy has a controlled and beautiful canter and will also neck rein!! This gorgeous guy may be pretty but he's also one heck of a trail horse!! Pretty Boy doesn't let anything stop him on the trails!! Logs, mud puddles or creeks that's nothing for him. He's also fine riding with dogs and is traffic safe!!
