His owners have worked with him to make sure he's been imprinted the right way to make someone an awesome riding horse one day. His Sire is a gorgeous Silver Grulla that has an amazing temperament and passes it to his offsprings! His Dam is a beautiful black mare that also has a sweet disposition and smooth gait! He should mature to around 14.3-15 hands and like his parents have a smooth 4 beat gait. This beautiful boy has perfect Rocky conformation and excellent bloodlines and will make an awesome trail horse or nice Show horse! They have also been working with him on moving to the mounting block with just a snap of a finger! Watch his video to see how smart he is!! His owners are breeders and would love to keep him if they could but they already have a Grulla stallion to breed with who's his Sire.
