Description

Lady is a stunning Chocolate 3 year old filly with light mane and tail and a dark chocolate coat! She's already 15 and should mature to 15.1-15.2 hands! She's been hand raised so loves people, runs to you in the field and wants to be with you! Lady has wonderful foundation bloodlines and would be excellent to breed with when she's older. She gaits naturally in the field and once she's under saddle she'll be smooth as butter!! Lady will be an awesome trail partner she just needs to be trained under saddle and hit the woods with her person! She stands for trimming, bathing, ties, leads and loads. Her owner has also been putting a saddle on her back getting her ready for training! Owner also has another beautiful chocolate coming 3 filly and a 2 year old black colt that's not related to them if you're looking to get into breeding!! Pics below show Lady with a lighter coat in the summer and current pics with her dark coat and beautiful white mane & tail!! Package deal available for the 3!! Watch Lady's video to see how easy she is to work with!! Located in Tazewell, TN
