Description

SF's True Grit aka Rooster is a gorgeous black registered RMH gelding. He's 14.3 hands now and will probably finish out to 15-15.1. He's sired by the great Sonny Bono who's out of Sonny and goes back to Tobe! Rooster has been ridden by professional trainer who starts them right and a 12 year old youth rider. Don't let his age fool you this guy is an amazing young horse who is such a sweetheart. He has been on some short trail rides, cattle clinic, been working on liberty work. Rooster is also a full brother to 2022 three year old Trail Pleasure International Champion SF's Royal Blue. He stands great for mounting, Farrier, bathing, cross ties, leads and trailer loads! He is young so if he spooks he just checks it out and doesn't overreact! If you're a confident rider you'll have no trouble keeping this handsome boy going plus just look at the money you'll save buying a younger Rocky! Watch his video that shows him doing everything even pushing cattle! Rooster is located in Paintsville, KY.
