**Description**

Cooper is a beautiful sweet in your pocket registered Rocky Mountain gelding with a smooth steady gait!! This sweet boy stands at 15.1 hands and is the perfect age of 4 yrs old!! Cooper will stand quietly in the cross ties for the Farrier, grooming, and to be saddled!!! Cooper is awesome on the trails, his owner/breeder sent him to a trainer in TN last summer for training and he did so well they used him as a trail horse for guided tours!! He has no problems crossing logs or going in deep water and is great at riding anywhere in the group even taking the lead!! He does great in all types of terrain, will stand to be mounted and will walk off on a loose rein!! He had a smooth slow gait and is with a trainer now getting a refresher. Cooper would be best suited for a confident intermediate beginner rider that's use to riding gaited horses. Cooper is one that is going to make you a phenomenal trail partner and if you're one that loves the trails then take a look at this pretty chocolate horse's video!!! He's up to date on worming, teeth floated, shoes, coggins and health certificate. Located in Mount Sterling, KY.
