Description

Annabelle is a beautiful sweet well gaited mare that's 14.3 hands and coming 18 years old. She belongs to a family whose Daughter has shown and trail ridden her for many years. She's went off to college 2 years ago and they don't want Annabelle to sit without ridden so she's been sent to KY to a trainer to get a refresher and muscled up! She would be great for any level rider even kids to learn on even rides with a buddy seat as you can see in her trail videos! Annabelle GHS's had one Foal for the family and was an excellent Mom! She's amazing out on the trails and has been to many states trail riding! She'll cross water, go through mud and various terrains. Annabelle is barefoot right now and has good strong feet. Stands great for the Farrier, bathing, cross ties, excellent ground manners and trailers great! Can't say enough great things about this mare! Once you watch her video you'll see what a natural 4 beat gait she has! Annabelle is located in Frenchburg, KY
