**Description**

Violet is a beautiful 15 yr old that stands at a nicely made 15 hands!! This super sweet girl is safe enough for a beginner and most recently belonged to an 8 yr old little girl!! The only reason this kind girl is available is the young lady advanced to a faster horse!! Violet is awesome on the trails crossing logs, water and most anything you come across!! She is great in all types of terrain and can ride anywhere in a group! Violet is the type of girl that likes to take in the scenery!! She will stand to be mounted, walks off on a loose rein and when asked has a nice gait although she would prefer to walk!! Violet is definitely going to make someone or some family a spectacular first horse!! She will stand quietly tied, for the ferrier, for grooming and to be saddled!! If you're someone just starting out in horses, have a family or just a nice horse to trail ride then take a look at Violet's video and see just how sweet this girl is!!
