### Description

Sugar is a drop dead beautiful mare with a gait and personality that matches her beauty! She's 4 years old and stands at a nice 14.3 hands and has a smooth 4 beat gait! Her Sire Triple S Big Slick has many offsprings in the show ring plus Sugar's pedigree is not only great on the top but her Dam goes back to Sam Clemon's Tim! Her Sire and Dam are older so her pedigree only goes back 3 generations so this mare would be perfect to breed with! Her owners live in Jamestown, TN and ride about everyday weather permitting! They have done a wonderful job teaching her to be a great minded solid trail horse that about anyone can ride! Big South Fork is where avid trail riders live or vacation and there's some of the best trails in the US there so this gorgeous mare has learned to be one nice trail horse that you can count on for a nice ride that you can enjoy! Sugar will go in deep water, mud, steep terrains, over logs and she's use to seeing wildlife where they ride. She's easy to mount and comes to the mounting block, she's light in the mouth and very supple so easy to ride! Sugar is great leading the group or fine in the back and if you want to ride out alone she's good with that also! There's really nothing negative about Sugar, her owners say she's such a nice mare that they let their friends ride her just to keep her going since they have other horses they need to ride. Sugar stands great for the Farrier, loves a bath, stands tied, leads great and trailer loads easy! If you're looking for your forever trail mount that will not only get you noticed with her looks but will take great care of you then look no farther! She's up to date on vaccines, worming, feet, coggins and health certificate! Just watch Sugar's video and you'll agree this is the horse you've been looking for! Located in Jamestown, TN
