\$ 5,000

Description

Teddy is a gorgeous black gelding that's 14 years old and 15.2 hands! Amish family has raised him and he's been used as their riding horse, plus he can plow and has been hooked up to their lawn mower which is his main job! You will not find a more well cared for obedient horse! He's not been ridden on the road very much so his legs and hooves are in great shape! Teddy is also very confident from being used for everything! He can trot and also has a smooth slow speed gait!! As you can see in his pictures he's very healthy just a little sunburnt but he's solid black! He has a scar from a barb wire cut years ago on his left front foot but its just superficial which you can see in the pics below. Teddy isn't spooky at all, if it's something new he'll check it out and go on! He's traffic safe and rides with dogs, goes through deep water, mud and use to about any terrain and situation you might get into! This beautiful boy is a rare find, he's not like most Standardbreds he's very laid back but will give you all he's got but not hyper at all!! Watch his video and you'll see what a nice riding horse he is! If you'd like to come see him they can hook him up to a cart and show you what a nice buggy horse he is!! Suitable for an Intermediate beginner of any age! Located in Owingsville, KY
