\$ 6,800

Description

Dot is a beautiful well made spotted mare that stands 15.1 hands and a seasoned 15 years old! Her owners have had Dot all her life and are only selling her because her owner had a stroke a few years ago and she's too good to just sit in the field waiting on their Daughters to come and ride her. One of their Daughters showed her this past spring and Dot won the spotted class! Dot is very obedient on the ground and in the saddle. She will take care of her rider and has no bad habits at all! She's easy to catch, gets along with her pasture mates and will ride out alone or anywhere in a group! She's a fearless horse and use to about everything from being shown such as

crowds of people, loud PA, golf carts, cars and other horses riding close to her! On the trails Dot will go in water, through mud, over logs and use to all terrain! Dot loves a bath, stands great for the Farrier, mounting, dismount, cross ties, leads and trailer loads! The owner can't say enough great things about this mare! Dot took great care of his wife when she was able to trail ride her. Dot would be suited for a confident Intermediate beginner that can ride a gaited horse! Dot is up to date on her feet, worming, teeth floated and coggins. Located in Winchester, KY
