Description

Abilene is a gorgeous buckskin mare that's 14.2 and 4 yrs old. She's 1/2 TWH 1/2 Standardbred! This sweet filly has had natural horsemen training and is already an awesome trail partner!! Abilene is not marish, very obedient on the ground and in the saddle and has no bad habits!! Abilene is the first one to run to you at the gait and gets along well with her pasture mates! This outstanding mare would be great for a confident intermediate beginner only because of her age.
