Description

Arrow is a stunning well bred Silver Grulla Filly that was born 5/10/22. Her owners have been hands on with her since she was born so she loves people! She has the most natural gait you'll ever see! Her Sire is the well known HMH Shoot N The Moon!! He's a dark Grulla stallion that is so gentle he goes to Nursing Homes to visit the residents! All his offsprings take after his gentle disposition and smooth natural gait! Arrow has been color tested and has no red gene, one copy of silver, one copy of the Dun and one copy of the Cream gene so she would be excellent to breed with in the future!
