

Flashy Gaited Experienced Bay Mare

\$ 8,500

Description

Fancy is a beautiful registered and certified Rocky mare that is one wonderful mama!!! This pretty bay mare has had a few babies and each one is as beautiful as her. Fancy is still a great age at 13 and stands at 14.2 hands. This sweet girl is very well behaved, easy to handle on the ground and doesn't have a problem with you being hands on with her babies!! Fancy will stand quietly in the cross ties, for the farrier, loves to be groomed and bathed and will also stand to be saddled!! Fancy will stand to be mounted and will walk off on a loose rein. She would need an intermediate rider that understands a gaited horse. She could possibly hit the ring with her big flashy gait if someone has the patience to work with her but if not she is experienced on the trails!! Either way Fancy is a wonderful mare that will give you everything she's got!!! Just take a look at this beautiful girls video and see just how nice she really is!!! Fancy is bred and born in KY do KBIF eligible! Up to date on her vaccines, worming, feet, teeth, coggins and health certificate! Located in Mount Sterling, KY
