Description

Monty is the real deal! He's 16 hands and at 3 years old you'd think he was much older! His owners have done a great job working with him and doing all his training! They started riding him lightly last fall and started back this past spring and have trail ridden him all over including Big South Fork, TN! You can see in his video clips of him at Big South Fork going in a dark tunnel without a bobble!! He's use to seeing things on the trails like Turkeys, deer, rabbits, dogs, cows, tractors and ATV's! He doesn't over react when seeing new things at all, checks it out and goes on! Monty trail rides great in big groups or out alone and doesn't get excited if you leave the group or they leave him! He's just a quite level obedient trail horse and suitable for a confident Intermediate Beginner since he's only 3. Monty's owners raised him and his Sire is a registered TWH and Dam a KY Mountain so they are registering him KY Mountain Saddle Horse! This horse is very smooth gaited and has a head full of sense! The owner have several of his full siblings and all are very laid back and excellent gaited! Monty is very obedient, stands on a tie line for camping, stands for the Farrier and in cross ties great! He loves a bath, leads, stands for mounting/dismount, loads in a trailer and parks out for mounting and is traffic safe! This beautiful gelding can be your dream horse and the last horse you'll ever need! Whether you're looking for a show horse, trail, field trail, endurance or a family farm horse Monty will fit the bill! Plus he's young enough you can teach him anything you want! Come take a test ride on Monty and you'll fall in love with this big boy! He's up to date on vaccines, teeth floated, feet, coggins and health cert! Located in Ezel, KY.
