Filly**

Description

Myrtle is an adorable little 32" Rockydonk filly that's been hand raised. Her Mama is a little short Rocky mare and Dad is a mini Donkey! Not many around like this little Filly! When I took this video for her owner she had been in her stall for 3 days so had tons of energy and personality! She shares a pasture with a 15 hand young Rocky gelding that she loves to play with! Watch her video to see how playful she is with him and he's so easy with her! Myrtle gets her natural gait from her Mama and would make a great candidate next year to be saddle trained for the kids and cart trained. She loves kids and people so very sweet! Watch her video to see how cute this tiny filly is!
