### Description

Lacey is a gorgeous black filly that stands 14.3 hands and 3 years old. Her Sire is a beautiful 15.1 Chocolate Rocky Mountain that's got old bloodlines! His Sire is out of Johnson's Toby, Kilburn's Chocolate Sundown and Tobe! Her Dam is a stunning black mare that's registered KY Mountain Saddle Horse with old Mountain Bloodlines! Lacey gaits naturally in the field, has great conformation and is ready to start her training. She's not been handled very much, owner/breeder has too many horses to work with and has not gotten time to start her and another chocolate Rocky filly that's also 3! Owners would give a discount for purchasing them both plus they

also have several others available of all colors! Video shows Lacey's conformation and her pretty head! Owners will teach her to lead good, stand tied and picking up feet before she leaves when she's sold. Located in Owingsville, KY
