Description

Glory is a sweet little black bay mare that stands 41 1/2 inches tall and 6 years old. The family that owns her let their kids ride and play with Glory and when I say play they have a ball with this little mare who's more comfortable with the kids than she is with the adults! They take Glory in the pond there at home and ride her in the water and use her to play with. The family has too many horses so trying to sell down some before winter. They're also selling their 17 hand Clydesdale the kids ride! Glory stands good for the kids to get on, stands for the Farrier to trim her feet, loves a bath and leads great for the kids and follows them around like a big dog! She's

also good friends with the families dogs! If you're looking for a pet for the kids or a little mare to breed with Glory would be perfect! Watch her video to see her having fun with the kids! Located in Gray Summit, MO
