Description

Here's a gorgeous well bred solid black colt that's bred to be special!! Eddie was born 1/14/24 and was just weaned so ready for his new address!! This colt has some very old bloodlines, his stunning chocolate Sire is 15.1 and out of Johnson's Toby! His Dam is 14.2 and out of Rock's Revolution who's out of show horse Becknell's Red River Rock who was a very well gaited show horse! Carlos should mature to 14.3-15 hands! This colt would be suitable as a future breeding stallion, show horse or trail horse but could do all three! Carlos is pretty fuzzy with hair right now since he was born in the winter but as soon as he sheds out he's going to be beautiful and black! Owners/breeders have 9 more coming by July! Eddie comes with a breeding certificate so new owner can register him Rocky Mountain! Located in Mount Sterling, KY
