

Stunning Chocolate Roan 2 Year Old Filly

\$ 8,500

Description

This is Diamonds Galore, she is a gorgeous Chocolate Roan that's a little over 14 hands right now and she should mature over 15 hands! She will make an excellent show prospect and Futurity for KBIF since she's KY bred & born! She'll also be a very flashy trail horse and a future breeding mare! The owners have not had her color tested but they know she has one silver and one roan, and one red gene based on parentage. Her owner/breeder have been very hands on with Gabby, she's been ground worked with a tarp on the ground, blankets on her and a saddle! They've taught her to cross over logs and ground cues like backing up. Anything they can teach their young ones to ensure they'll be easy to train under saddle for their new owners! Gabby stands for grooming, Farrier and gets along well with the other horses in the pasture and loves to be right with you! Expected to have high trail pleasure gait like her Sire who's an accomplished show horse and Conformation Grand Champion!! She has excellent bloodlines for breeding, just look at her pedigree and you'll see all the great foundation horses such as Tobe, Kilburn's Chocolate Sundown, Buddy Roe, Choco Dock and Johnson's Toby! Once Gabby sheds off her winter hair you'll see the roan and her darker chocolate face and legs! If you're looking for a stunning filly that checks off all the boxes then Gabby is perfect for you!
