Description

Tank is a handsome bay yearling colt that's super friendly and smart! His owner/breeders have done an amazing job with imprinting and desensitizing all 3 of their yearlings! Tank is easy to catch, runs to you in the field and has that puppy dog temperament that makes these Rockies so popular! Tank has wonderful pedigree that would make him a good breeding prospect, show or trail riding! He had a lot of chrome with his white socks and nice conformation and beautiful head and little ears! Tank stands for feet trimming, ties, and very obedient while leading! He's up to date on his vaccines, feet, worming, coggins and health cert!
