\$ 12,000

### Description

Check out this gorgeous well bred dark chocolate mare with flaxen mane & tail! Angel is 15 hands, 5 years old and about as smooth gaited as you'll find! Shes one of those mares that you can count on to get you home from trail riding safely! She has great conformation, nice natural headset and excellent bloodlines! If you like to show or do that occasional fun show she's one that can win some blue ribbons very easy! Angel stands great for mounting even with a mounting block! She'll go through deep water, creeks, over logs and use to various terrains! Angel has great ground manners and gets along with other horses in the field and first one to meet you at the gait! She stands calmly in cross ties and for the Farrier, loads on the trailer and travels great!! Angel is very well gaited and can move out when asked but because of that she needs a confident rider that likes to pick up a little speed sometimes and mosey on down the trails!! This beauty is a once in a lifetime horse for the right person!! Angel is up to date on her vaccines, worming, teeth, feet, coggins and health certificate. If Angel sounds like a good fit for you come check her out and take her for a spin!! Located in Salt Lick, KY.
