\$ 6,800

### Description

Dee is a beautiful boy that stands 15 hands and is 14 years old! He has a wonderful flashy gait and he loves to show it off!! His owners have had him almost all of his life! Dee is a very experienced trail horse and use to riding in the mountains so use to steep terrains, logs, going through creeks and mud! He's not spooky and use to seeing wild life while trail riding! He'll go through deep water, creeks, over logs and never quits! Because of his flashy gait his owners recommend a confident rider that's use to a gait like his or would like to learn! Dee loves attention and because his owners don't have the time to ride now they would rather him be with someone that's an avid trail rider that will appreciate Dee for the awesome trail horse he is!! Owners never sent off for his RM papers but they do have a breeding certificate so he can be registered Rocky! Watch his video to see how good this boy is! Located in Salyersville, KY.
