## Description

Meet Jasper, he's a sweet gelding and one heck of a trail horse!! He's got a year of trail riding and ready for his new owner! His owner is downsizing so this sweet boy is available. Jasper is amazing on the trails, he lead or follow and is very sure footed! He's use to all kinds of wildlife on the trails, very fearless and will go through deep water, mud, and steep terrains are no problem! Jasper stands great for mounting, shoeing, bathing, stands in cross ties quietly, leads and trailer loads! Jasper has Vitiligo which started this past summer, is not contagious but it has caused him to have white pigmentation around his eyes. It won't get any worse and sometimes it has

been known to go away. Owner is not asking as much for Jasper because of this. He's registered KY Mtn and comes with a breeding certificate to be registered Rocky Mountain. Jasper is suitable for an Intermediate Beginner. Watch his video to see what a wonderful horse Jasper is! Located in Frenchburg, KY
