\$ 6,000

Description

Wren is a beautiful 1/2 Rocky 1/2 Appy filly that was Born on June 26th 2023. Her Dam is SLA Ulrich Destarte (Appaloosa) X Hunter Ridge Solid Steel (Rocky Mountain). Walkaloosa papers pending. This grulla Walkaloosa filly is incredibly brave and personable. Wren loves checking everything out and is very independent, not needing her dam to give her confidence. She will likely be around 14.3hh. She has a copy of Lp, so she will get some appy color as she gets older. Full color and disease testing available. 5 panel clear. She has one copy of DMRT3, and her appaloosa side is known for throwing gait. She prefers a trot right now as she grows, but I expect that when she is started under saddle a gait will come out. Wren would excel in any direction you would wish to take her, but her owner breeds for trail, endurance, and western dressage in mind. If you're looking to have some fun working withing a smart easy to teach youngster then check out this beauty!! Located in Niles, MI
