\$ 5,500

### Description

AVAILABLE True black Rowdy mare out of a Telstar mare and Rawhides Ace of Spades !!♠????Aces Hell on Heels????♠!! This 6 year old mare is solid black and boy can she move out in a smooth Rack! She stands 14.3 hands and Loves people! Easy to get along with and her only bad habit is she rushes gates - owner is working on it but it's still an issue and owner is a full disclosure person. Owner has lowered her price since Sissy could use a 30 day refresher to get back to where she was before having her baby last year. Otherwise she's a nice easy going mare! She's had a year off just from life being busy for the owner but now back to trail riding and she rode right off like she never missed a day. She stands for the Farrier, in cross ties and has good ground manners. Watch her video to see how she can move out! Located in Jamestown TN.
