

38" Black Driving Gelding

\$ 1,500

Description

John is a cute little 38 inch solid black gelding that's very obedient. He was started as a driving horse then was used for breeding and recently been restarted back into driving and doing great! He stands still to be hooked up and when unharnessed as you can see in his video. He stands patiently while tied up, stands for trimming, grooming, leads and loads. Gets along great with other horses and just an all around good little pony. He would be great for anyone looking for one to pull a cart! His owner will throw in the new cart that has 2 rows of seats and the back one comes off so you can haul things plus his new harness for \$3500 more or sell a 2 person cart for \$1500 to go with John.
