Description

Queen is a beautiful 2 yr old filly. KMSHA reg and certification pending. She has a very Laid back personality and loves people! Queen has only been trail rode this year and enough to get certified to breed. Owner's have only taken her on the trails for about 5-6 miles. She is not spooky, very trusting of her people and easy to get along with! She is just a little over 14.3, pushing 15 hands. Queen stands great for the farrier, loads and backs off trailer, stands to mount & dismount and stands in cross ties. She has had a very good start for a young filly. Owners have had her since 6 months old, And they have done a tons of groundwork with her preparing her to be an easy to ride horse! This beautiful filly is stunning, sweet and very well gaited as you can see in her video! If you're looking for a young horse that you can mold yourself don't overlook this well bred smooth gaited Filly!
