

Gorgeous Blue Roan Mare In Foal

\$ 8,500

Description

Belle is a gorgeous double registered Blue Roan mare that's ready to foal in March! She's in foal to a stunning Blue Roan Rocky Mtn. stallion Travelers Blue Thunder! Both Mom & Dad are 15 hands. Belle is registered KY Mtn & TWH, Sire is registered Rocky Mountain and this cross always produces some of the best gaited horses! Owner has had Belle for 4 years and raised 2 blue roans each time and one of them was homozygous Blue Roan! Owner did ride Belle when she first got her and she has a nice 4 beat gait! She's only selling some mares because she doesn't have time with her new job to handle all the work that comes with breeding so many mares. Belle, her Bay Roan mare and a Bay mare are all due to foal March and April! Owner has been breeding for many many years and owns a few Rocky Mtn stallions so would breed these mares back so you'd be getting 3 in 1 package!! She keeps all her horses up to date on their vaccines, including Botulism, worming, teeth and feet! If you're looking for a nice trail horse and a foal to raise Belle would be fantastic! She would need a 30 day tune up to get back in shape to hit the trails once her foal is weaned. Or if you want Belle to breed with she's priced great for either! She is sweet and lets you mess with her babies which helps for imprinting! Watch her video that shows her last years foal and Belle under saddle! Located in Nicholasville, KY.
