### Description

Brooks is a handsome Stout 15.2 hand 5 year old gelding that's a beautiful Smokey Black. He's got plenty of trail experience and has even been to Big South Fork, TN this summer! He's got wonderful Rocky conformation, perfect 4 beat gait and the sweet temperament that everyone loves in a Rocky Mountain! Brooks neck reins, has a smooth canter and works cattle great also as you can see in his video! He rides out alone, in groups, leads the pack or follows. He's sure footed and does great in deep water, mud, over logs and steep terrain. This horse is so well trained that he listens to voice commands and will follow you around like a big dog!! Brooks stands still for a mounting block, dismount, Farrier, bathing, cross ties, leads and loads. There's really nothing that bothers Brooks, he use to about everything you can put him through and if he is startled he doesn't jump just checks it out and goes on. Can't say enough about this level headed gelding. Brooks is up to date on his vaccines, teeth, worming, shoes, coggins and health certificate. Watch his video and you'll agree Brooks is the whole package!!
