**Description**

Are you looking for the best horse on the market? Look no further! Docks Cocamotion aka "Coco" is a registered and certified Rocky Mountain gelding that stands 15HH and will be 12 years old on June 22nd, 2025. Owners original intentions for Coco were to continue his winning titled show career in the show pleasure division of the youth Rocky Mountain Horse world, but our youth riders became invested in a different sport. Coco is the 2021 RMHA International Gelding's Show Pleasure Champion! We know Coco would be great in the show ring, but we would love to see him experience a trail riders lifestyle. He is great on the trails and enjoys being outside. He stands to mount at the mounting block, stands for grooming, baths, farrier, and vet. Loads in the trailer and looks forward to being with his people. He is easy to catch outside and will meet you at the gate when it's time to go up. He walks on the buckle, and rides in an arena with ease. He has shown in youth, amateur, and open division successfully at sanctioned Rocky Mountain Horse shows! He is a great example of the Rocky Mountain Horse breed. Coco has only ever been owned by two families. Current owner purchased him from friends in 2024 that were his breeder and owners for 11 years of his life!! If possible, they would like periodic updates on how he is doing. They have had to sell most of their stock due to life changing events. He has a huge personality and loves to play! His vices are he loads in the trailer great but instead of backing out he prefers to turn around a go head first. His owner/breeders are great friends of ours and we have traveled to shows together for the last 5 years and I have shown him many times myself in Novice Trail Pleasure classes! Coco is up to date on his worming, feet, teeth being floated this week along with vaccines and coggins. Located in Franklin, KY
