

### 14.3 Blue Roan Tobiano Trail Horse

\$ 10,000

#### Description

Lady is beautiful 14.3 hands and registered as a Blue Roan Tobiano! She just turned 6 and has always been an easy keeper and the whole family trail rides her! Her Lady is barefoot, but stands to be shod. Owner only puts shoes on her if they're riding places that are really rocky or have lots of gravel. She Leads, loads, hauls, ties, bathes and stands still for mounting! Wherever you point her she will go over or through whatever you ask of her and she's use to wildlife that you might run into! Lady has never offered to kick, bite or buck and is not marish at all! Family has used her to pony other horses, ride her bareback and doubles! This mare is not spooky, not bothered by traffic and rides with dogs and if you want to ride her through a DQ drive thru she's up for that also! They have Great Danes and she gets along with them well. Lady is in the middle of the pecking order and is easy to catch! This mare is very special to the family, they have too many horses and want Lady to be ridden and cared for by her new owner! Lady is suitable for about anyone as long as they are confident in the saddle! She's up to date on her vaccines, worming, feet and coggins. Once you see her video you'll know how special this mare really is! Located in Somerset, OH
