

## 13.2 Stallion Unicorn!!

\$ 20,000

### Description

This beautiful blue eyed boy will be 5 in June and registered with The US Icelandic Horse Congress! Owner Imported him from Iceland in 2023. He stands 13'2hh (average Icelandic size). Dually has tons of babies on the ground in Iceland and here. He gaits just leading him with a lead rope as you can see in his video! He is 5 gaited. Walks, trots, canter, tolt, and flying pace. Registered with USIHC and RHBAA. Owner has not trained him to trot under saddle but he will do everything else. Her kids climb all over him and he is bomb proof! He pasture breeds or hand breeds in just a rope halter. He pastures with mares or by himself. He will even lay down on command! Dually will ride alone or with a crowd, lead the group or follow! Use to dogs, traffic, farm equipment, etc. Good for the farrier, stands in cross ties, great ground manners and loads in the trailer great! He's great with foals, he's pastured with them and been used as a babysitter when they've weaned foals! Even though Dually is a breeding stallion the family ride him in big trail rides where ever they go and they have a hard time with the kids always wanting to ride off with him because he's so sweet! Not many stallions are this well behaved especially at such a young age! Owner says in a group of horses he would need an experienced rider only because he is a stallion and you just never know but alone ANYONE can ride him!! This is a once in a lifetime to own a horse like Dually!! He's up to date on his vaccines, worming, feet, coggins and health certificate! Located in Waverly, OH
